3. POLICY PRINCIPLES

RANDFONTEIN LOCAL MUNICIPALITY
0, DRAFT –PROPERTY RATES POLICY

- 3.1 Rates are levied in accordance with the Act as an amount in the rand based on the market value of all rateable property contained in the municipality's valuation roll and supplementary valuation roll.
- 3.2 As allowed for in the Act, the municipality has chosen to differentiate between various categories of property and categories of owners of property. Some categories of property and categories of owners are granted relief from rates. The municipality however does not grant relief in respect of payments for rates to any category of owners or properties, or to owners of properties on an individual basis, other than by way of an exemption, rebate or reduction provided for in this policy.
- 3.3 Phasing in of rates will be based on the new valuation roll and in terms of Section 21 of the Municipal Property Rates Act (Act No. 6 of 2004)
- 3.4 The rates policy for the municipality is based on the following principles:

3.4.1 Equity

The municipality will treat all ratepayers with similar properties the same.

3.4.2 Affordability

The ability of a person to pay rates will be taken into account by the municipality. In dealing with the poor/indigent ratepayers the municipality will provide relief measures through exemptions, reductions or rebates.

3.4.3 Sustainability

Rating of property will be implemented in a way that:

- i. it supports sustainable local government by providing a stable and buoyant revenue source within the discretionary control of the municipality; and
- ii. supports local and social economic development with consideration and compliance with the LED strategy of the municipality.

3.4.4 Cost efficiency

Rates will be based on the value of all rateable properties and the amount required by the municipality to balance the operating budget after taking into account profits generated on trading services (water, electricity) and economic services (refuse removal, sewerage removal) and the amounts required to finance

RANDFONTEIN LOCAL MUNICIPALITY

- 18.4 If a property owner, who is responsible for the payment of property rates in terms of this policy, fails to pay such rates in the prescribed manner, it will be recovered from him/her in accordance with the provisions of the Credit Control, Debt Collection and Indigent Policy of the Municipality.
- 18.5 Arrears of rates shall be recovered from tenants, occupiers and agents of the owner, in terms of section 28 and 29 of the Act.
- 18.5.1 (a) If an amount due for rates levied in respect of a property is unpaid by the owner of the property after the date determined, the municipality will recover the amount in whole or in part from the tenant or occupier of the property, despite any contractual obligation between the tenant and the owner. The municipality will only recover the outstanding rates from the tenant or occupier after a written notice has been served to the tenant or occupier.
- (b) The amount that the municipality will recover from the tenant or occupier will be limited to the amount of the rent or other money due and payable, but not yet paid by the tenant or occupier to the owner of the property. The tenant or occupier must set off any amount recovered from them by the municipality against any money owed to the owner.
- (c) The tenant or occupier of a property will on request of the municipality, furnish the municipality with a written statement specifying all payments to be made by the tenant or occupier to the owner of the property for rent or other money payable on the property during a period as may be determined by the municipality.
- 18.5.2 (a) If an amount due for rates levied in respect of a property is unpaid by the owner of the property after the date determined, the municipality will recover the amount in whole or in part from the agent of the owner. The municipality will only recover the outstanding rates from the agent after a written notice has been served to the agent.
- (b) The amount that the municipality will recover from the agent will be limited to the amount of any rent or other money received by the agent on behalf of the owner, less any commission due to the agent.
- (c) The agent, will on request of the municipality, furnish the municipality with a written statement specifying all payments for rent on the property and any money received by the agent on behalf of the owner during a period as may be determined by the municipality.

19 PAYMENT OF RATES ON PROPERTY IN SECTIONAL TITLE SCHEME

- 19.1 A rate on a property, which is subject to a sectional title scheme, will be levied on the individual sectional title units in the scheme and not on the property as a whole

19.2 The rate levied on a sectional title unit will be payable by the owner of the unit. The municipality will not recover the rate on such sectional title unit, or any part of such rates, from the body corporate controlling the sectional title unit, **except** when the body corporate itself is the owner of any specific sectional title unit.

20 ACCOUNTS TO BE FURNISHED

The municipality will furnish each person liable for the payment of rates with a written account, which will specify:

- (i) the amount due for rates payable,
- (ii) the date on or before which the amount is payable,
- (iii) how the amount was calculated,
- (iv) the market value of the property, and
- (v) rebates, exemptions, reductions or phasing-in, if applicable.

A person liable for payment of rates remains liable for such payment, whether or not such has received a written account from the municipality. If the person concerned has not received a written account, he/she must make the necessary enquiries with the municipality.

21 CORRECTION OF ERRORS AND OMISSIONS

21.1 Where the rates levied on a particular property have been incorrectly determined, whether because of an error or omission on the part of the municipality or false information provided by the property owner concerned or a contravention of the permitted use to which the property concerned may be put, the rates payable shall be appropriately adjusted for the period extending from the date on which the error or omission is detected back to the date on which rates were first levied in terms of the current valuation roll.

21.2 In addition, where the error occurred because of false information provided by the property owner or as a result of a contravention of the permitted use of the property concerned, interest on the unpaid portion of the adjusted rates payable shall be levied at the maximum rate permitted by prevailing legislation.

22 FREQUENCY OF VALUATION

The municipality shall prepare a new valuation roll every 4 (four) years, with the option to extend the validity of the valuation roll to 5 (five) years with the approval of the MEC for Local Government and Housing in the province.

Supplementary valuations will be done on a continues basis to ensure that the valuation roll is properly maintained.

23 COMMUNITY PARTICIPATION

Before the municipality adopts the rates policy, the municipal manager will follow the process of community participation envisaged in chapter 4 of the Municipal Systems Act and comply with the following requirements:

The municipal manager will:

- 23.1 Conspicuously display the draft rates policy for a period of at least 30 days at the municipality's head and satellite offices and libraries and on the website.
- 23.2 Advertise in the media a notice stating that the draft rates policy has been prepared for submission to council and that such policy is available at the various municipal offices and on the website for public inspection. Property owners and interest persons are invited to submit written comments or representations to the municipality within the specified period in the notice.
- 23.3 Council will consider all comments and/or representations received when considering the finalisation of the rates policy.

24 REGISTER OF PROPERTIES

The municipality will compile and maintain a register in respect of all properties situated within the jurisdiction of the municipality. The register will be divided into Part A and Part B.

Part A of the register will consist of the current valuation roll of the municipality and will include all supplementary valuations done from time to time.

Part B of the register will specifies which properties on the valuation roll or any supplementary valuation roll are subject to:

- i. Exemption from rates in terms of section 15 of the Property Rates Act,
- ii. Rebate or reduction in terms of section 15,
- iii. Phasing-in of rates in terms of section 21, and
- iv. Exclusions as referred to in section 17.

The register will be open for inspection by the public at the municipal main offices during office hours or on the website of the municipality.

RANDFONTEIN LOCAL MUNICIPALITY
0, DRAFT –PROPERTY RATES POLICY

The municipality will update Part A of the register every 6 months during the supplementary valuation process.

Part B of the register will be updated annually.

25 BY-LAWS TO GIVE EFFECT TO THE RATES POLICY

The municipality will adopt By-laws to give effect to the implementation of the Rates Policy and such By-laws may differentiate between different categories of properties and different categories of owners of properties liable for the payment of rates.

26 REGULAR REVIEW PROCESSES

The rates policy must be reviewed on an annual basis to ensure that it complies with the Municipality's strategic objectives as contained in the IDP and with legislation.

27 SHORT TITLE

This policy is the Property Rates Policy of the Randfontein Local Municipality.

28 ENFORCEMENT/IMPLEMENTATION

This policy has been approved by the Municipality in terms of resolutiondated and comes into effect from 1 July
