Office of the Municipal Manager
RANDFONTEIN

10-May-07

Dear Sir/Madam,

SUPPLY CHAIN MANAGEMENT

The National Government has introduced new Regulations governing the way in which municipalities are to deal with the procurement of goods and services, and the disposal of surplus assets. Under the Regulations, which came into effect on 1st October 2005, the Randfontein Local Municipality is required to compile a Register of Accredited Potential Providers of goods and services. Randfontein Local Municipality is writing to invite you to apply to be included in the Register. From 1st October, the Randfontein local municipality will invite bids and tenders from those accredited suppliers who are included in the Register.

In order to qualify to be included in the Register from 1st October, you are required to complete the enclosed application form, and return it to Supply chain management unit, with the necessary documentation, as soon as possible. If you meet the accreditation criteria, you will be included in the Register.

Your attention is drawn to the following requirements:

- **Tax Clearance Certificate** – submit an original tax clearance certificate issued by SARS.
- **Municipal Service Charges** – submit proof that municipal services and rates accounts for the enterprise and each director of the enterprise are up to date. If you are in arrears, please indicate the municipality concerned, the amount of the arrears and the period of the outstanding arrears, and what arrangements, if any, have been made to settle the arrears
- **Shareholding** – Submit proof of shareholding (e.g. for a close corporation submit a copy of CK1 certificate)
- **Banking Details** – Submit a copy of atleast one month bank statement
- **Turnover** – specify the turnover at the end of the previous financial year.
- **Construction** – Copy of CIDB registration certificate, or proof of CIDB registration
- **Security** – Copy of company SIRA certificate

Your attention is drawn to the fact that your answers will not necessarily preclude you from being included in the Register, but the information is needed to assist with the accreditation process, and also with reports that have to be submitted to Council periodically.

I look forward to receiving your application.

Yours faithfully,

Municipal Manager
